DISCUSSION ITEMS

24-25 Schools of Choice for Grades 1-10

The district wishes to accept applications on an unlimited basis for the first semester of the 2024-2025 school year for Grades 1 through 10 beginning April 17, 2024 through August 23, 2024.

The board will vote to approve this at the April 15, 2024 board meeting.

Addendum to Construction Managers Contract

With the addition of the 2023 bond issue, construction work will continue past the time and budget originally anticipated with the existing Christman contract. An addendum to the contract is necessary to acknowledge the additional scope of work and to adjust the construction management fees, staff hourly rates, and general conditions costs for the next two years in what has been a period of substantial changes in costs throughout the economy and more significantly, throughout the construction industry. The addendum remains within budget for the 2023 bond issue. The addendum was discussed with the district attorney and the Finance Committee.

The board will vote to approve this addendum at the April 15, 2024 board meeting.

Basic School Law CBA Workshop

The board discussed potential dates for the workshop – perhaps in place of the May board workshop.

The meeting adjourned at 7:24 p.m.

Respectfully submitted,

Angela Hamilton, Secretary
Clawson Board of Education
