

Dear Clawson High School Parents/Guardians/Students/Staff,,

We hope you will continue to support your child/children at Clawson High School by joining our Parent, Teacher, Student Association (PTSA). We welcome and encourage you to come meet your PTSA board and get involved here at Clawson.

What is the PTSA?

PTSA is a non-profit group of parents/guardians, students, and staff who are working together to enrich the education and experience of our students.

Who can join the PTSA?

Anyone can be a member...parents, guardians, students, teachers, and staff.

What are the benefits of joining PTSA?

PTSA members stay connected, make positive changes, help raise funds, **and students can earn scholarship money!**

Do I have to volunteer to join the PTSA?

No, volunteering is not required (but it's always welcomed and needed!)

Interested parents, guardians, and students are welcome to attend our PTSA meetings. For information on meeting times and dates please call 248-655-4200 or Like us on Facebook: CHS PTSA
