Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for the Kenwood Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Dr. Ken Schofield for assistance.

The AER is available for you to review electronically by visiting the following web site <https://goo.gl/rHyZY9>, or you may review a copy in the main office at your child's school.

Our school is on the Focus School list at this time. Students at Kenwood Elementary made significant gains in reading and writing. With the implementation of a new math program, student math scores are expected to increase. Currently, Tier II intervention instruction is offered for students in math and reading to close gaps between the Top 30% and Bottom 30% of Kenwood students in both academic areas.

State law requires that we also report additional information.

All students in the building are scheduled into classes taught by highly-qualified teachers in which requirements of the state core curriculum are met without variance.

5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL
COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

All test results for our school are listed within the pages of the following annual education report.
